Power Conversion Equipment - Component

COMPANY

TEKNIC INC

7640 Omnitech Place Victor, NY 14564-9429 United States

E301182

Marking: Company name and model designation.

Note: For additional marking information, refer to the <u>Guide Information Page</u>.

View model for additional information

Power Conversion Equipment, Model(s): POWER4-HUB-S, POWER4-STRIP, POWER4-STRIP-S, RES-225

Power Conversion Equipment, Model(s): <u>CP followed by a single letter, followed by "-", followed by 2 letters, other than EC, followed by 2 letters, followed "-", followed by 2 letters, followed by 3 letters, may be followed by 2 letters, may be followed by 3 letters, may be followed by any combination of numbers, letters and/or characters</u>

Power Conversion Equipment, Model(s): <u>CP followed by a single letter, followed by "-", followed by EC, followed by 2 letters, followed by "-"</u> followed by 23 or 34, followed by 2 numbers and a letter, other than R, Y, W, D, P or S, followed by "-", followed by 3 or 4 letters, may be followed by any combination of numbers, letters and/or characters

Power Conversion Equipment, Model(s): M followed by a single letter, followed by a "-", followed by 4 letters, followed by 3 numbers, followed by a "-" may be followed by any combination of numbers, letters and/or characters

Power Conversion Equipment, Accessory, Model(s): POWER4-HUB

Power supplies, Model(s): E3PS12-75

Power supplies, "SST Series", Model(s): SST-IPC-25 followed by D, E, F, L or S, may be followed by any combination of numbers, letters and/or characters

Power supplies, "SST Series", Model(s): SST-IPC-75 followed by D, E, F, L or S, may be followed by any combination of numbers, letters and/or characters

Power supply, Model(s): IPC-3, IPC-5

Servo motor drives, Model(s): SST-1000 followed by one letter, followed by C, followed by W or X, may be followed by up to three alphanumeric suffixes.

Servo motor drives, Model(s): SST-1500 followed by one letter, followed by C, followed by W or X, may be followed by up to three alphanumeric suffixes.

Servo motor drives, Model(s): SST-3100 followed by one letter, followed by C, followed by W or X, may be followed by up to three alphanumeric suffixes.

Servo motor drives, Model(s): SST-6000 followed by one letter, followed by C, followed by W or X, may be followed by up to three alphanumeric suffixes.

Servo Motor Drives, Model(s): <u>CP</u> followed by a single letter, Model CP followed by a single letter, followed by a -, followed by 4 letters that describe model style, followed by -, followed by 4 numbers and a Letter that describe the motor the drive is attached to, followed by a -, followed by 3 letters which describe options, followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M255 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M295 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M355 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M375 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M423 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M493 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, Model(s): ISC-M523 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M543 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M603 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M623 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M723 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M733 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M753 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-M763 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-S251 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-S291 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-S351 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters Servo Motor Drives, Model(s): ISC-S371 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters Servo motor drives, "Series ISC-10", Model(s): Series ISC-10 followed by 00 through 99, followed by one letter, followed by C, followed by W or X, may be followed by

up to three alphanumeric suffixes.

Servo motor drives, "Series ISC-17", Model(s): Series ISC-17 followed by 00 through 99, followed by one letter, followed by C, followed by W or X, may be followed by up to three alphanumeric suffixes.

Servo Motor Drives, "SST Series", Model(s): SST-E250 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E252 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E290 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E292 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E350 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E352 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E370 followed by any one letter, followed by L, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E372 followed by any one letter, followed by B, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E427 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E490 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E520 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E545 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or

Servo Motor Drives, "SST Series", Model(s): SST-E600 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E610 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): SST-E720 followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): <u>SST-E730</u> followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): <u>SST-E750</u> followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters

Servo Motor Drives, "SST Series", Model(s): <u>SST-E760</u> followed by any one letter, followed by C, may be followed by any combination of numbers, letters and/or characters
